

QUOBBA STATION

Fishing Hot Spots

Prevailing weather produces two distinct fishing seasons along the Quobba Coastline. **WINTER** is predominately ballooning with spinning and bottom bouncing - also worth a try. **SUMMER** is mostly spinning and baitcasting THEREFORE many spots are quite distinctly a Winter OR Summer location.

BALLOONING - can produce Spanish Mackerel, Longtail Tuna, Yellowfin, Cobia, Sharks

BOTTOM FISHING - is about Trevally, Pink Snapper, Spangled Emperor.

SPINNING OR BAITCASTING - can catch all of the pelagics mentioned under

ALL LOCATIONS CAN BE DANGEROUS.
PLEASE BE AWARE AND SAFE
AT ALL TIMES.
